Dear Chairwoman DeLauro & Ranking Member Granger:

I am requesting $5,000,000 in funding to improve the reliability, safety, and security of the water supply at the Camp Dawson West Virginia Army National Guard facility.

The project sponsor is the Kingwood Water Works and is located at 313 Tunnelton Street, Kingwood, WV 26537.

This project is an appropriate use of taxpayer dollars and it will secure a safe water supply at the Camp Dawson Army National Guard facility. This project will include a new storage tank, a new raw water intake, and will provide covers for the water treatment facility to ensure quality, potable water.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

David B. McKinley, P.E.
