Dear Chairwoman DeLauro & Ranking Member Granger:

I am requesting $527,250 in funding for the replacement of a deteriorating and failing waterline in Grand Vue Park, which is located near Moundsville, West Virginia.

The project sponsor is the Marshall County Commission and is located at 600 Seventh Street, P.O. Drawer B, Moundsville, WV 26041.

The project is an appropriate use of taxpayer dollars and it will ensure those in and around Moundsville have safe, reliable access to drinking water. This specific section of waterline is in a state of disrepair and is prone to constant leaks. Along with replacing the waterline, new water meters would be installed. Additionally, new fire hydrants and necessary pressure valves would also be installed.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

David B. McKinley, P.E.
Member of Congress
